KUALA LUMPUR 3.18°N 101.71°E · ONE CLOCK UTC+8

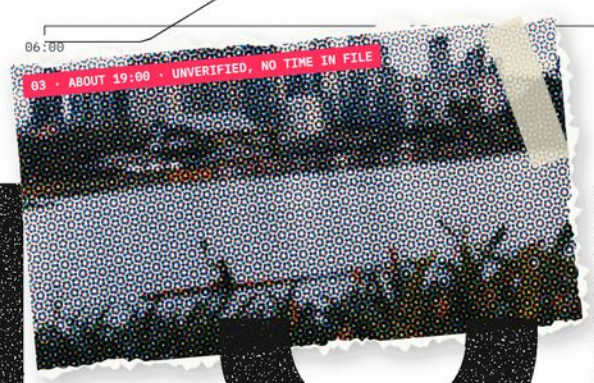

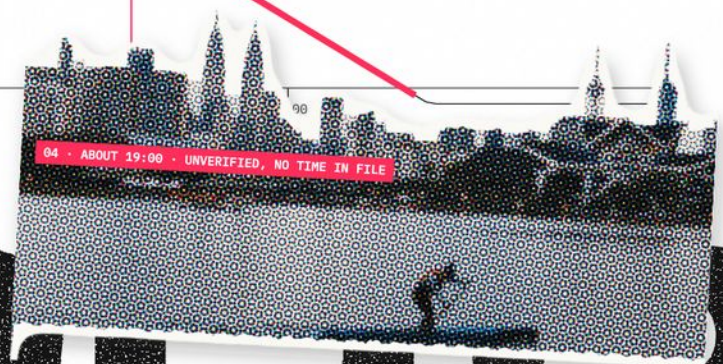

KUALA LUMPUR

Late October, a quarter to five. The sun is still about 31° up over Titiwangsa Lake, with more than two hours of day left. The curve is the sun's height through that day; red is the rest of the afternoon.

16:47

SUN +30.8° · 131 MIN TO SUNSET
